

LEHI LOCALS

Make a note in your diary, "March 17th," details later. 6-11

The officers and teachers of the Third Ward Sunday School will hold a social in the Ward House tonight.

James Holden was very ill several days this week with gall stones. Last reports were that he is improving.

The oldest son of Mr. and Mrs. E. R. Patterson of Idaho Falls, is visiting friends in Lehi.

Everybody is waiting for the big excursion to Smuin's Academy, Lehi, Friday, March 12, 1915. 6-11

Mr. and Mrs. Rhone Jensen of Elmore, were week end visitors at the home of Mr. and Mrs. N. P. Sorenson.

The High School girls entertained the basket ball team at dinner Friday at the home of Mrs. Rachael Anderson.

There were two good basket ball games in the Arcade Hall Thursday night. The first one was between the Arcade team and the Pleasant Grove fireman, resulting in a score of 50 to 44 in favor of the home team. In the second game the Arcade was defeated by a picked team from American Fork, with a score of 53 to 47.

Interesting Lecture On South America

Prof. Kinkle of the L. D. S. University of Salt Lake City, gave two very interesting talks here last Sunday, one before the Parents class of the second ward Sunday school in the forenoon, and the other in the assembly rooms in the afternoon. The rooms were crowded on both occasions.

Prof. Kinkle was a member of the "Cliff party" who went to Central and South America in 1898 to secure proofs of Book of Mormon incidents. He is a most interesting talker and told of many most interesting incidents, of a remarkable trip, during which he traveled over 10,000 miles, 7,000 of which was made on the back of a mule.

Home Dramatic a Great Success

The Lehi Home Dramatic Co.'s play, in the Royal Theatre Saturday night, was up to its usual high standard of excellence, every character from the hero and the heroine down to the baby, taking their parts well. It was a play out of the ordinary, and there was not a single poorly taken part by any one of the seventeen players.

The house was one of the largest of the season. Every seat in the balcony was taken and nearly all below. There must have been a nice sum turned over to the Tabernacle, for which purpose the play was given. The big audience was well pleased, and many expressions were made that it was to be regretted that such an excellent performance should be gotten up at so much work and expense and then only be put on once.

Manager Ingalls and his players are all to be congratulated.

FINED FOR TAKING HAY

Two young men were arrested by Constable Hyrum Harmon for taking hay from the American Fork Fork & Stock company's farm in Highland. They were taken to Lehi and lodged in jail until Monday, March 1st, when they were given a hearing before Justice of the Peace Zabriskie of Highland, and pleaded guilty. They were fined, one \$10 and one \$5, which they paid and were set free. One is a young married man, the other a youth of about 18 years.

The officers have been suspecting the loss of hay for some time, and determined to watch to make sure. About eleven o'clock Saturday night they heard a woman and intercepted the driver, tracing the tracks through the snow. The boys saw they were caught and confessed.

The Justice gave them both a lecture, but made the fine light on account of it being a first offense, and their having been in jail for two days.

HOMER CRABBS FUNERAL

Funeral services for Homer Crabbs the 11-year-old son of Mr. and Mrs. Wm. Crabbs, will be held in the Tabernacle today at 2 o'clock p. m.

Two More Horses For The War Zone

An eastern horse buyer who was in Lehi Saturday, only succeeded in buying two horses for the European war. Two weeks before he purchased eight at prices averaging close to \$150 each. Since being in Lehi before he has shipped 13 car loads to the war zone to be used for war purposes by the allies.

Horsemen are predicting that if the war keeps up another year, the price of horses will take a great advance over what they are at present.

How About Base Ball

What is Lehi going to do about base ball this season? With the exception of one or two years, Lehi has had a great reputation for base ball, and the city has had much fame from its base ball team. Base ball is the one thing that keeps the town alive during the summer months. It is a good, clean, healthful sport that can be patronized by all classes and both sexes.

Salt Lake City has entered the state league, which should give an impetus to base ball all over the state. The loyal fans should hold a meeting and begin to select its material. Lehi has a lot of good players and should be able to put the town on the base ball map. The city has a fine base ball park, and, when the right kind of a team is handled in the right kind of a way the town is reasonably loyal.

New Band Membership

The new Silver band that is being organized, held a practice this week, and from their work indications are that Lehi will have two first class bands who will keep the band stand in Wines Park pretty well occupied he coming summer. The new band has not yet chosen its officers, neither has it yet chosen a name, but from the personnel of its membership, its music will be high class.

Following are the members up-to-date, and the instruments which they will play. Marvel Comer, solo cornet; Harold Goodwin, 1st cornet; Carl Pearson, 2nd cornet; Jesse Webb, solo clarinet; Lloyd Webb, 1st clarinet; John Bruns, flute; Lester Smuin, B. B. Bass; Odel Thomas, alto; Marion Smuin, alto; Victor Webb, trombone; Melvin Smuin, trombone; Leland Crabbs, baritone; Henry Thomas, snare drum, and George A. Fox, bass drum.

H. M. ROYLE, JR., FIRE CHIEF

The members of the fire department held a meeting Wednesday evening and decided on a reorganization. H. M. Royle, Jr., was elected as chief and Darrow Lott as assistant chief. Before these gentlemen can assume their duties, they will have to be appointed by the mayor and confirmed by the city council at its session next Tuesday evening. There is a general understanding, however, with the committee that the selection of the department will be confirmed by the council Tuesday evening.

The boys are determined to bring the department up-to-date, and will make an effort to raise funds with which to purchase new suits, so that when the next state firemen's tournament is held, the Lehi department will not be ashamed to appear in parade with their departments. Several new members will also be added to fill vacancies.

STORK WORKS OVERTIME

Three new babies arrived in Lehi Thursday. A girl was born to Mrs. John W. Roberts, a boy to Mrs. Sadie Brown Adams and a boy to Mrs. O. B. Peterson. Mrs. Roberts and Mr. Adams are at the Lehi hospital. The mothers and babies are all doing fine, and the fathers pretend to be satisfied with the choices made by the stork.

PAXMAN TALKS TO DRY FARMERS

Mr. W. R. Paxman, the government "Dry Farm" expert gave a talk to the farmers of Lehi in the Tabernacle Thursday night. Mr. A. B. Ballantyne the County demonstrator was also present and made a talk on the importance of properly taking care of farm work horses.

Mr. Paxman is probably the greatest authority on dry farming in the west. He this year grew 67 1-2 bushels of wheat per acre on his farm on the famous Levan ridge. He has visited Cedar Valley much of which he says is ideal for dry farming, as also is much of the land west of Lehi. The chief requisite for success in dry farming is the proper preparation of the soil and the conservation of the moisture. If this is done, there will be no trouble in getting the wheat up in the fall, rain or no rain.

TAYLOR DEAL HANGS FIRE

The deal between S. J. Taylor and the school trustees, authorized by meeting of taxpayers last week, still hangs fire. The taxpayers but a limit of \$3,000 on the house and lot. Mr. Taylor is willing to take this sum,

but also wants the district to pay about \$170 additional for the sidewalk improvements. The sidewalk appears to be the stumbling block. There is also some difference regarding the ownership of the north partition fence.

Chicken Ranch Taken

Into Court

Sheriff Henry East was in Lehi Monday and went to Pelican Point to take over the chicken ranch, formerly operated by Oliver Cedarstrom, for Joseph Dickenspiel. The two have been operating a chicken ranch and have several thousand fine chickens, coops, incubators, etc. They have decided to dissolve partnership, and Dickenspiel has commenced suit for all the property. Mr. Cedarstrom has spent his entire time operating the chicken ranch, and Dickenspiel, who is in business in Salt Lake City, has supplied the cash.

Mr. Dickenspiel has commenced suit on claim and delivery, so that the interests of the two parties in the concern will have to be determined in court.

PRINCE SIMPLE MIXTURE

Many in Lehi praise the simple mixture of buckthorn bark, glycerine, etc., known as Adler-I-ka. This remedy is the most THOROUGH bowel cleanser ever sold being even used successfully in appendicitis. ONE SPOONFUL relieves almost ANY CASE of constipation, sour or gassy stomach. ONE MINUTE after you take it the gasses rumble and pass out. Adler-I-ka cannot gripe and the INSTANT action is surprising. H. B. Merrihew, druggist, Lehi. The American Fork Drug Company report great success. Adv.
